

'THINK KIDNEYS'

The National Patient Reported Experience Survey

Your Voice Matters!

- This unit is taking part in an important survey about your care
- Our aim is to improve services for people with kidney disease
- We'd like you to complete the survey to help us
- The survey is completely anonymous
- We'll give you feedback on the results and let you know what actions we're going to take as a result
- What you think really does count. Be honest and help us to help you. Thanks.
